HAYWARD
& GREEN

WE'RE PROUD TO BE AUTHORISED DISTRIBUTORS OF PPG WINDSHIELDS.

PPG LEADS THE AEROSPACE INDUSTRY IN TECHNOLOGY DEVELOPMENT FOR AIRCRAFT WINDOWS. THESE PREMIUM SPECIFICATION PRODUCTS ARE INTERCHANGEABLE WITH GKN AND SAINT GOBAIN SULLY (SGS) WINDSHIELDS, AS PER THE AIPC.

WITH A LONGSTANDING QUALITY RATING AND ONGOING COMMITMENT TO TECHNOLOGICAL IMPROVEMENTS, PPG TRANSPARENCIES BENEFIT FROM A CONSTANT STREAM OF INNOVATION AS PART OF ONE OF THE WORLD'S LEADING TECHNOLOGICAL CONGLOMERATES.

WE ALSO STOCK WINDSHIELDS FOR MANY OTHER AIRCRAFT PLATFORMS; PLEASE GET IN TOUCH FOR MORE DETAILS.

WHY CHOOSE H&G?

PPG windshields are one of our fastest moving product lines, and are supplied with a 36 month warranty.

STOCK LOCATION

Our main warehouse is located close to LGW and LHR airports. This prime location allows us to maintain a target of shipping windshields direct to customers all over Europe within six hours.

With a high stock rotation and a swift response time to enquiries, ordering through H&G makes this premium US-made product highly cost-effective for European customers. What's more, our relationship with PPG means we can price competitively.

Naturally this extends to AOG requirements – we strive to accommodate all situations with a prompt cost-effective service.

WIDE BODY AIRCRAFT
